

Sierra Elementary PTA School Gift Proposal Form

Description of Proposed School Gift:

This gift is equipment that the kids can use for recess. We will get a cart for kindergarten first grade and second grade. We will also have a cart for third fourth and fifth grade. Each cart will hold the same amount of items which include, one spike ball set, two sets of 14 flags for flag football, two sets of three snow shovels, one pack of six snow brick makers, one set of bases, two kickballs, a junior-peewee sized football, and three tennis balls. We could take away the bins from each grade and put the balls in the cart we will get, but that will be the schools decision.

Amount of Money Requested: \$3,100
