

## ROOM PARENTS 2023-2024

Hello Sierra Families!

We are looking for Room Parents for each classroom.

A Room Parent's role is to:

- Plan and host Halloween and Valentine's classroom parties.
  - Halloween Party - Monday, October 31
  - Valentine's Party - Tuesday, February 14
- Classroom coverage/help during Teacher Appreciation Week - May 6-10
- Plan a teacher appreciation craft/gift for kids to make during Teacher Appreciation Week

For the class parties, room parents will be responsible for planning games, activities, treats, and crafts. Usually, the class parties are about 30-45 minutes long at the end of the school day. This year the PTA has decided to provide a budget of \$5 per student for the room parents to use for class parties. This budget will cover both parties and end-of-the-year gift/craft. I will provide more information on how to get reimbursed through the PTA in future communications with room parents. Parents are still allowed to donate items to contribute to class parties and gifts, but no financial donations will be accepted.

We are asking that you only sign up for 1 classroom as a Room Parent. If someone has already signed up for your child's classroom and you want to help plan or you want to help in more than one classroom, that's an option too! If there are no more slots for your class, please email [alyssa.aberle@gmail.com](mailto:alyssa.aberle@gmail.com) and we'll give your contact info to the Room Parent to reach out.

We'd like the room parents from each grade to work together in planning parties, when possible. This will help provide support to new Room Parents and avoid large disparities between classroom parties. This can mean a larger joint grade level party, like older grades have done previously (with teacher permission), or individual classroom parties. Once we have a Room Parent for each class we will email out contact information and more details.
